SW proposes membership fees remain the same for coming season, AW 2nds, All agree.

Going forward we agree to try and build up our cash reserves for a "rainy day" or to fund more expensive motorsport events for the members.

4. Membership Report

The last event at Knighton had 32 drivers, 15 pre signed on, 15 on the day and 2 outstanding credits. That raised £346 and £15 for EMBH.

We now have £357 in the pot for EMBH.

5. Committee

People standing for the comittee will be:

The existing committee with the exception of. Dave Goodwin, Greg Paul, Martyn Cutler and Lee Morey. People joining the committee would be Toby Allen and Matt Price and possibly Dan Westwood.

6. Marshalling

At the AGM we will invite members to "sign up" as marshalls for the forthcoming season. Depending on the uptake we will either put on a training evening or have a core group of trained marshalls to train up new marshalls at events.

7. AOB

Land owners will be invited to the AGM FOC.

We could not decide what a family membership was. Looking at the existing family members for the previous season we had. Husband and Wife, Dad with "Children" (who have to be adults to be a member!!) Boyfriend and Girlfriends who live together as a family. Boyfriends and Girlfriends who never lived together and have now split up!! and several other combinations. In the end it was decided to

abolish family membership. SW proposes, AW 2nds, All agree. This needs to be checked at the AGM regarding the club constitution.
